

Each PruittHealth skilled nursing center and assisted living center has its own platform for booking indoor visits, outdoor visits, and video chats. The following steps will walk you through the appointment booking process.

Step 1: Visit www.pruitthealth.com/safety-first to confirm your loved one's location is currently holding visitation. Look for the Location Visitation Status list.

Step 2: If your location is hosting visitation, click on the location's name. This will take you to the center's booking platform.

Step 3: Confirm your loved one's health care center is listed at the top of the page and select the desired appointment type.

Step 4: Select an available date and time for your appointment.

Step 5: To ensure the health care center has the information required to prepare for your visit, please fill out the appointment details as follows:
